

AN EVENT NOT TO BE MISSED!

MacRobertson Shield 2010

The MacRobertson International Croquet Shield is the premier croquet teams event in the world, the equivalent of the football World Cup. It is competed for by Australia, Great Britain, New Zealand and the United States, and known affectionately as the MacRob. The test series is played in rotation between the competing countries every three or four years – in August this year it is to be Great Britain's turn.

Two clubs in your area, Roehampton Club and Surbiton Croquet Club, have been selected to host matches: Roehampton will be the venue for an exciting meeting between Australia and the USA, and Surbiton will host the climax of the competition, the finals between Australia and GB, and New Zealand and USA.

**Both clubs are easily accessible and have excellent facilities and catering.
Spectators are guaranteed a warm welcome and first-class entertainment.**

COME ALONG AND SUPPORT YOUR NATION

Details of times and dates are given below. We look forward to seeing you.

Visit www.macrobertsonshield2010.org

12-16 AUGUST 2010
