

Croquet England Player Pathway – Level 1 Facilitator

Level 1 Facilitator is a club based role within the Croquet England Player Pathway. The aim is for each club to have a Level 1 Facilitator. The individual will be identifiable by club members and their role is to provide assistance and guidance to their members looking to participate in their initial Croquet England events. The Facilitator should be an active tournament player themselves, ideally participating at Level 2 of the Croquet England Pathway.

All Level 1 Facilitators will be assisted by the Level 1 Coordinator.

Level 1 Facilitators should be available to:

Introduce members to the Croquet England website and the Tournament Entry System

Assist members to enter Croquet England events

If necessary to assist members become registered as Standard Subscribers of Croquet England

Advise which Croquet England events might be suitable for the player, particularly those in the local area

Help players prepare for their initial events including:

- Advise on dress code

- Etiquette

- Maintaining a handicap card

- Likely start/finish times and how many games to expect

- Obtaining any equipment they may require

Trying to find a fellow club member also playing in an event to act as a “buddy” for the new player.

When necessary help the player make contact with the CE Office/Level 1 Coordinator
